

Blinds & Shutters

Here at USI, we are always looking for quality installed products that are highly functional, attractive, and affordable. Additions to our product lines include the following:

Our faux wood blinds provide a simple but effective way of showcasing a home's exterior. Our simple pricing plan is based per opening. Install on street-facing windows or throughout.

Plantation wood shutters instantly beautify any interior. We offer a variety of configurations and finishes sure to match up with your décor.

Mirrors & Bath Accessories

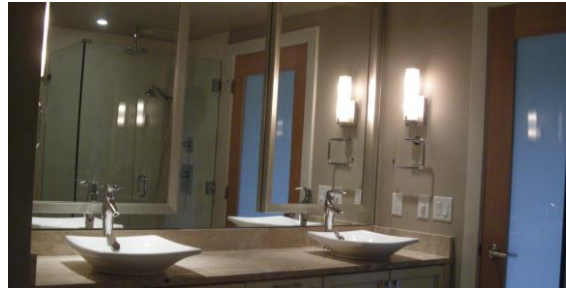

Plate mirrors are measured on site and cut to size at our facility. We also provide a machine edged finish to prevent blackening over time. We also have unlimited framed mirror options.

Our bath hardware options range from the simplest chrome toilet paper holder to elaborate and elegant bath accessories.

INSULATION
SPECIALTIES + FIREPLACES
KITCHEN + BATH CABINETS
GARAGE DOORS

Why doing business with USI Savannah is a smart decision:

- **Diverse product lines** – the one stop shop for insulation, cabinetry, and specialty building products
- **Full time trained installers** – all work performed by well-trained and quality conscious employees
- **Professional sales team** – every USI customer is assigned their own personal sales representative
- **Experience management** – our team is highly experienced in the construction business
- **Dependability** – a vested interest in doing every job right the first time
- **Manufacturer/vendor relationships** – we have leveraged our extensive industry experience to create fantastic relationships with our manufacturers and we have procured the most competitive pricing in the area
- **The largest and most beautiful showroom in the Coastal Empire**

Fireplaces & Gas Logs

Come see our many fireplace and live burn gas log displays at our showroom.

We sell and install vented, vent-free, wood burning, and electric fireplaces from Superior and Dimplex. We also provide vented and vent-free gas logs from R.H. Peterson, Monesson and others.

Our pre-fab fireplaces are available in any price range. From 32" vent-free units to enormous masonry wood burning; the selection is endless. Whether looking for beauty, warmth or both we have a gas log to meet your needs. Our selection of vented and vent-free logs is extensive and covers all price ranges/budgets.

Insulation

We offer open and closed cell spray foam insulation from Icynene. Choose from rigid closed cell or the environmentally-friendly semi-rigid open cell. USI also installs batt and blown-in insulation from Owens Corning and Knauf Insulation.

Energy efficiency is a concern of both homebuilders and homeowners. Let USI be your guide in finding the proper products and solutions for your needs.

Garage Doors

USI is a master dealer of Clopay and Wayne Dalton garage doors. Through our relationship with Clopay and Wayne Dalton, we're able to offer a wide variety of door selections. Be it a simple raised panel garage door or a fully customized hand-built door, we can meet your needs.

Garage doors typically represent 30% of a home's exterior. Savvy builders and homeowners recognize a beautiful garage door is a sure way to boost a home's value.

Visit our showroom to view a full range of door (and opener) options. Also keep in mind that USI offers a full range of garage door repair and service work. From broken springs to replacement panels, we'll handle it.

Shower Doors

Spruce up any bathroom by installing a framed, semi-frameless or frameless shower door from USI. Our standard framed doors come in multiple finishes and glass types and can be configured several ways.

The same is true of our semi-frameless and frameless shower door options. With abundant hinge, handle, and towel bar selections, your door can be accessorized any number of ways ensuring you achieve the exact desired look.

All shower door enclosures are field measured by experienced technicians to provide a perfectly sealed fit.

Shelving & Custom Closets

Closet space is a key part of successfully marketing and selling a home. Our customer service reps are trained to offer you an alternative that will most efficiently maximize the space in your home.

With Rubbermaid as our primary shelving and closets partner, we can offer a full range of quality products. Wire shelving options allow for endless closet configurations. For customers looking to upgrade their closet systems, our melamine product provides both beauty and functionality.

Kitchen & Bath Cabinets

USI is proud to offer a full line of beautiful kitchen and bath cabinetry selections. Our product variety, customer service, and price are unmatched. Our cabinet division managers, designers, and sales consultants have countless years' experience in assisting in what often times can be a difficult decision. Our folks are here to make the process easier and more enjoyable. We offer cabinet selections from fine manufacturers such as Dynasty/Omega, Diamond/DiamondVibe, Mid Continent, Marsh, Merrilat, Aristokraft, and Forevermark Matrix.

Perhaps our greatest asset is our breathtaking showroom, considered by many the finest in the entire Coastal Empire. Homeowners, remodelers, and contractors building in all price ranges are welcome. We are confident we can meet all your cabinet needs.
